In the treatment of Chronic Bronchitis in patients with COPD

℞

AB Phylline® E

Acebrophylline 100mg + Erdosteine 300mg

Tablets

DESIGNED FOR • EXACERBATION CONTROL •

Erdosteine is clinically proven to **reduce exacerbations**[1]

Clinically **superior to NAC combination**[2]

Provides superior symptomatic **relief in cough and sputum**[2]

Erdosteine helps in faster & significant **reduction in the severity and frequency of cough**[4]

Erdosteine reduces the need for **Antibiotics and Oral Corticosteroids**[3]
